Russell Firebox Appeal

Dear Friend of the Fairbourne Railway,

As you will have read, to steam again after next year our much loved locomotive *Russell* will need major boiler repairs including a new inner firebox and tubes. This work will need to take place in 18 months' time if *Russell* is remain in service. We believe, based on what we paid for the repairs to Yeo's boiler last year that this work will cost in the region of £12,000. So we are now making a direct appeal to you, the members of the FRPS, to help us keep *Russell* steaming into the future. With very many thanks on behalf of all the Trustees and supporters of Fairbourne Railway; your help is really appreciated.

Yours sincerely,
Maureen Atkinson
Director and Trustee
